

November 2006

On behalf of all of us at the Denver Broncos, I would like to express my thanks for the excellent service provided by you and your driver, Jesse Little, during our recent visit to Kansas City. Your combined efforts were a tremendous assistance during our stay. You and Jesse did an excellent job preparing for our arrival and were very professional throughout our stay. In addition, thank you for providing us the peace of mind knowing that you were prepared to handle all our ever changing needs promptly and efficiently, whatever they were. Your handling of all our last minute requests was a great asset for us throughout our trip.

Rest assured, upon our return to Kansas City, your company will be our first consideration for our limo and sedan needs.

Sincerely,
Colin "Chip" Conway
Vice President of Operations
